When replacing the Grille Bar Emblem, it will be necessary to remove the center bar from the grille and proceed as follows:

1. Place the new emblem in the grille bar recess.

2. Stand the grommet in the center depression of the emblem.

3. Place a piece of the rubber seal at each end of the emblem.

4. Assemble the retainer plate over the emblem with the ends resting on the rubber seal pieces using the existing bolt on the grille bar.

5. Assemble the grille bar to the grille with the regular attaching parts.
